

DISTRICT OF COLUMBIA RAT RIDDANCE RODENT ACADEMY

Rodent control expert, Dr. Robert Corrigan will host the Department of Health's upcoming Rat Riddance Rodent Academy. The academy is designed to teach the importance of Integrated Pest Management (IPM) as the foundation for a successful municipal rodent plan. The program also emphasizes the importance of a collaborative approach among local and federal government, public and private stakeholders and community members to work together to reduce rodent activity in the District.

WHEN: June 10, 2017
9:00 am to 4:30 pm

WHERE: Duques Hall, 2201 G Street, NW
Room 151 (enter on 22nd Street)

FEATURING:

Robert Corrigan, PhD, author of "Rodent Control: A Practical Guide For Pest Management Professionals," and publisher of more than 75 technical publications in pest control (Development of IPM rodent plan).

PRESENTERS:

Arian Gibson, Program Manager, DC Department of Health Food Safety and Hygiene Inspection Services Division
Baldwin Williams, Entomologist, DC Department of the Environment, Pesticides Division
